

POWYS PUPIL REFERRAL SERVICE: New Start Centre,Brecon-Pathways Centre,Newtown: CURRICULUM SUMMARY STATEMENT

<p><u>Science & Technology</u></p> <p>Science and Technology in Powys PRS encourages learners to be curious and ask questions about the natural world, to gain understanding of their world and make predictions. Opportunities and experiences are provided to promote understanding of the living world, and other scientific concepts such as forces and energy. The skills developed should encourage learners to use design thinking and engineering to find creative ways to meet society’s needs. Together with an understanding of the importance of computation in our modern world, this will provide learners with the skills needed to progress through the curriculum and support learners to achieve upon completion of their time at school.</p>	<p><u>Humanities</u></p> <p>Humanities in Powys PRS aims to engage students on the journey to becoming ethical, informed citizens of Wales and the world. Opportunities and experiences are provided through geography, history, religion, values and ethics, rights and responsibilities, community, government, democracy, law and order and global citizenship. The skills developed encourage and support students into becoming ethical, informed citizens of Wales and the world for them to become ambitious, capable learners who throughout their life are ready to learn and become valued members of society</p>	<p><u>Healthy & Wellbeing</u></p> <p>Health and Wellbeing in Powys PRS encourages learners to become healthy, confident individuals, ready to lead fulfilling lives as valued members of society. By developing learners’ motivation, resilience, empathy and decision-making abilities, they can be supported to become ambitious, capable learners, ready to learn throughout their lives. Opportunities and experiences are provided to support pupils to become ethical, informed citizens of Wales and the world by developing their ability to show respect, to value equity, to listen to others and to evaluate the social influences affecting them. Through enabling learners to manage risks, express ideas and emotions, develop and maintain healthy relationships, and take on different roles and responsibilities, the learning and experience in this Area supports learners to become enterprising, creative contributors ready to play a full part in life and work. The skills developed will help children grow and develop emotionally through this provision and promoting a broad and enriched curriculum inclusive of the four core purposes.</p>
--	--	---

Constantly developing cross-curricular skills of literacy, numeracy and digital competence through all areas of learning.

<p><u>Mathematics and Numeracy</u></p> <p>Mathematics and Numeracy in Powys PRS inspires learners to explore and experience the number system and gain an appreciation of mathematical relationships. Opportunities and experiences are provided to gain understanding of the use of both practical and abstract mathematical concepts, and to apply this understanding to find reasoned solutions to problems in everyday life. The skills developed encourage a greater understanding of the world around us, enabling progression through the curriculum and supporting learners to achieve success in life and work after school.</p>	<p><u>Language, Literacy & Communication</u></p> <p>Languages, Literacy and Communication in Powys PRS inspires learners to explore a range of texts and media confidently and creatively whilst promoting respect for, and value of, dialects and expression in all languages and their cultural contexts, with focus on English and Cymraeg. Opportunities and experiences are provided to understand and use positive verbal and written communication, independently and with others, strengthening relationships that lead to learning. The skills developed encourage healthy interactions, enabling progression across the curriculum and supporting learners to achieve ambitions in life and work.</p>	<p><u>Expressive Arts</u></p> <p>Expressive Arts in Powys PRS encourages, motivates and inspires learners to explore issues of personal, social and cultural identity through visual, physical, verbal, musical and technological means. Opportunities and experiences are provided to explore feelings and thoughts, refine ideas and engage the imagination and senses creatively in order that young people are able to shape and express ideas through the principles of art, music, drama, film and dance. The skills developed support perseverance and positive attitudes, which bring our learners in contact with the creations and performances from Wales and other diverse cultures and societies.</p>

We Deliver the RSE Code – Teach the UNRC & UNCRPD

We will use outside agencies as much as possible and will liaise with the mainstream school to ensure that our pupils do not miss Police liaison officer sessions. Learning experiences will be bespoke to individual needs.
